Verse 1

G **Gsus2 G/B**
On this pilgrim's passageway
G **Gsus2** **G/B**
filled with joys and trials and pains
Gsus G/B D C D G
how we cry, come Lord Jesus come
G **Gsus2 G/B**
In this dark and dreary world
G **Gsus2 G/B**
how we need Your light unfurled
Gsus G/B D C D Em
oh we cry, come Lord Jesus come
C D G
come Lord Jesus come

Chorus

C G Em D
On the wings of the wind, with fire and with flame
C G Em D
with the majesty and might of Thy Name above all names
Am G/B C D
there faith shall be sight, and Christ shall be our Light
Am G/B C D G
but still we pray: come, Lord Jesus come

Verse 2:

Though we know You're sure to come
and we know You'll take us home
even so, come Lord Jesus come
Though now we see You in part
and you've made alive our hearts
even so come Lord Jesus come

Interlude

Am G/B C D
(ad lib come Lord Jesus)

Verse 3:

oh hush my aching soul, the Lord shall not delay
with flooding tears, come Lord Jesus come
the trump shall soon resound our dear Lord shall descend
haste the day, come Lord Jesus come!
