Verse 1

C C2 Cmaj7 C C C2 Cmaj7 C
Gracious Spirit dwell with me; I myself would gracious be,
Am C2/A Cmaj7/A Am Am C2/A Cmaj7/A Am
And with words that help and heal Would thy life in mine reveal,
F G Am F G Am G F
With actions bold and meek Would for Christ my Saviour speak.

Chorus:

G C G/B Am
Dwell with me, lead with fire and with cloud
F G Am
Remove from me all doubt
F G Am G F G C
Impart to me thy life so free, and dwell with me.

Verse 2:

A life that's holy is my plea, from all sin and self set free
Remove the chains I call my own, and bind my soul so prone to roam
With Thy sweet presence cheer, and fill my mind with holy fear.

Interlude:

C C/B C/Bb F/A Gsus (x2)

Verse 3:

In thy bosom I find rest,
within Thy life my soul is blessed
Death's dread shadow brings no pain,
instead it brings a sweet refrain
Death's journey brings me home
and Christ himself calls me His own
